EXPERIENCE

- | | |
|-----------|--|
| 2016-NOW | GRAPHIC DESIGNER
Precision Graphics, Redwood City CA

My role at Precision Graphics consists of designing print media from scratch as well as editing existing artwork and getting files ready for print production. Spending my first year in print production, I still operate various printers and cutting devices. |
| 2015-2016 | GRAPHIC DESIGNER
Ike's Love and Sandwiches, San Jose CA

At Ike's I designed print media as well as maintained Wordpress accounts. Some of the print media included designing coupon flyers, sandwich making infographics, Ike's branded apparel, food signage and application for new hires. |
| 2012-2015 | GRAPHIC DESIGN INTERN
Hi Development Mobile, San Jose CA

As a graphic design intern, my role was to design front end graphics and animations for the mobile app as well as the website. I also assisted in wire framing the layout of the app. The apps designed at Hi Dev Mobile were compatible on the iOS and Android platforms. |
| 2014 | ASSISTANT WEB INSTRUCTOR
Camp Galileo, Palo Alto CA

At Camp Galileo, my main role was to teach campers how to design their own websites from scratch as well on Wix.com. |
